## Announcements

**IAB is pleased to introduce its new Procurement and Property Coordinator, Danielle Vivlamore.** She comes to us from the SW Office of Academic Affairs and Research where she has provided superstar procurement and fiscal support for the past three years. Combining her organizational skills, analytical background, and positive personality, Danielle will be an outstanding asset to IAB.

Beginning Monday, January 23rd, Danielle will serve as your main contact for all of your IAB purchasing and logistical needs. Her phone number is 474-7168 and she can be found in room 313 Irving 1. All procurement and shipping related inquiries should continue to go through the [uaf-iab-logistics@alaska.edu](mailto:uaf-iab-logistics@alaska.edu) email to ensure fast turnaround time.

Please be sure to stop in and welcome Danielle to the team when you get a chance!

## The 2017 Global Change Student Research

**Grant Competition RFP is now available** at [www.cgc.uaf.edu](http://www.cgc.uaf.edu), and in hardcopy from the Graduate School (202 Eielson) or URSA (301 Bunnell). Graduate students may submit proposals for up to \$10,000 for one year, while undergraduates are eligible for up to \$7,500. Students should review the RFP carefully before preparing a proposal. Among the changes this year is that students need to work with their department-level proposal coordinators to prepare their budget. The deadline to submit proposals is 5pm Alaska Standard Time on Friday, February 10, 2017. Contact: Barb Hameister ([bahameister@alaska.edu](mailto:bahameister@alaska.edu); 474-5818).
