Announcements

The 2017 Global Change Student Research Grant Competition RFP is now available at www.cgc.uaf.edu, and in hardcopy from the Graduate School (202 Eielson) or URSA (301 Bunnell). Graduate students may submit proposals for up to \$10,000 for one year, while undergraduates are eligible for up to \$7,500. Students should review the RFP carefully before preparing a proposal. Among the changes this year is that students need to work with their department-level proposal coordinators to prepare their budget. The deadline to submit proposals is 5pm Alaska Standard Time on Friday, February 10, 2017. Contact: Barb Hameister (bahameister@alaska.edu; 474-5818).
