Announcements

We're organizing a March for Science Fairbanks! It will take place on Saturday, April 22 at 10 am (location TBA). This is a satellite march of the March for Science DC and marches across the world. We will be celebrate our passion for science, defend our ability to collect and disseminate data and other scientific information and to provide science education, and advocate for evidence-based decision making. EVERYONE is welcome - scientists and non-scientists alike. Find out more at marchforsciencefairbanks.wordpress.com.
