Announcements

Please join us for an Ice Cream Social in our newly remodeled lobby in Irving I on Thursday, August 24 at 3:00 PM.

UAF requires Title IX training for all employees within 30 days of hire and to be renewed annually. This year UAF has updated its training module to a new format that provides straight forward information accompanied by resources that are available for future reference. **All UAF employees are required to update this training by September 30.**

Title IX training is now accessed through the uonline webpage. Instructions are located on the UAF safety training website halfway down the page.
