Announcements

There will be a special encore exhibit reception and reading for "Microbial Worlds", a collaborative arts-humanities-science exhibit on Friday June 21. This exhibit includes original works developed by artists inspired by many IAB scientists affiliated with Bonanza Creek and Toolik as part of the "In a Time of Change" program. The reception will be held on June 21 from 4-7 pm in the UAF Art Department Gallery with a literary reading by Debbie Moderow and Susan Campbell and panel discussion with the artists in the Great Hall starting around 4:30 pm. The exhibit continues through July. See http://itoc.alaska.edu/ for more information.
