**Announcements**

The Department of Veterinary Medicine is holding two candidate seminars for the position of Assistant Professor in Physiology. Dr. Cristina Hansen will present "Alaskan research adventures: geese, caribou, and sled dogs" on Thursday, 23 January 2020. The following week, Dr. Farrah Monibi will present "You mean a veterinarian can help fix people too?" on Thursday, 30 January 2020. Both seminars will be at 1:30 PM in the Murie Auditorium.

**Seminar Video Available**

Last week's Life Science seminar by Tom Seaton is now available for viewing on the [Life Science Hour page](#).
