Announcements

Robert “Trey” Coker inducted into Alaska Innovators Hall of Fame. The Alaska State Committee on Research selected Trey as an inductee to the Alaska Innovators Hall of Fame class of 2020 in recognition of his world-class research and business venture, the only small business in Alaska to receive a Phase II Small Business Technology Transfer grant since 2014. See the Office of Intellectual Property and Commercialization announcement for more information. Congratulations Trey!

IAB is now seeking applicants for IAB Genomics Core Lab Coordinator. This is a full-time technician position complete with a competitive salary (Grade 78, minimum $23.60/hr) and UA employee benefits package. Qualifications: minimum of M.S. in Biological Sciences, Chemistry or related field and / or equivalent experience. One or more years of experience with instruments used in the Genomics Core Lab and with comparable molecular techniques. Applicants with Ph.D. in Biological Sciences, Chemistry or related fields are also encouraged to apply. Apply online here. Learn more about the IAB Genomics Core Lab here.

See the UAF Cornerstone for more news and events (http://uafcornerstone.net/).
Today's Quote

The whole secret of life is to be interested in one thing profoundly and in a thousand things well.

Horace Walpole
